I was first (aesthetically) awoken to BL when I was in junior high school. In those days stories of tragic love were common. Right now I'm drawing BL with the feeling that I want there to be happiness proportionate to those unfulfilled loves.

"It seems that I like you." In contrast to his heated stare, he awkwardly confessed. Kiyashima, older by two years, is now Kazuto's boyfriend. The more they're together, the deeper they fall so that just by being stared at, he feels like he'll climax. Together, a happiness deep enough to drown in. The concluding chapter when the two become a married couple and the brotherly love of "Non and Non" are also drawn.

### The rejected student Mirutsu

Thank you very  
much for picking up  
the flowers for you

Hello,  
I'm Mirutsu, your

By the way, Mirutsu  
and I have a very  
large age gap. That has  
definitely been  
an issue though.

"Mirutsu-kun" says  
that you're a very  
old man. At the  
same time, I thought  
that you're not  
old enough to  
be a teacher.

In this kind of  
situation, I  
will have to  
act like I'm  
old enough  
to be a  
teacher.

It was  
embarrassing  
when I  
thought  
that I  
wasn't  
old enough  
to be a  
teacher.

"There's  
nothing  
I'd like  
more than  
this place."

Thank you  
everyone,  
I will write to  
you all often  
in the future.

It always  
hurts a lot  
of pride. That  
I don't have  
anywhere

It's still  
in front of  
everyone.

The sun  
was  
shining  
brightly  
today.

It's  
such a  
good  
time.

There

such a  
good  
time.

There was
